Hi there! I am **Marion**. If you need any advice or have a question about the magazines, contact me at marion.piffaut@bayard-mag.com or +44 (0)7 450 577 526.

RAISE KIDS WHO LOVE TO READ

According to a 2016 International Literacy study, students that love to read and feel confident about their reading skills achieved better test scores. Help your child develop a love of reading with Bayard magazines - the benefits are obvious.

WHO IS BAYARD?

Established in 1977, Bayard Press is the creator of inspiring magazines for children aged 0 - 14. We are passionate about helping parents nurture lifelong readers - and it shows! Our loyal customers have kept us in business for over 40 years. Today, an entire generation of Bayard magazine fans is sharing their beloved childhood favourite with their children today.

A special thank you to all of our subscribers for being a part of the Bayard family. And to our future subscribers, we can't wait to welcome you to the community.

Terms and Conditions

- There are 10 issues in the annual subscription which starts at the month of your order placement if you place your order on or before 15th of each month, or next month if you place your order after 15th of each month.
- This discounted offer is exclusive to your agent.
- The MP3 audio if you decide to purchase alongside your subscription will be sent as a link to you via email to the email address being registered during purchase.
- The subscription fee is non-refundable.
- Special issues of AdventureBox if included in your purchase will be sent out in December 2021 and June 2022.
- Should any dispute arise, the decision of Bayard Press shall be final.

Use of Personal Data: Bayard Press needs to know your name, postal address, email and telephone number to set up your subscriptions. This information is used by us and our sub-contractors to process your order and to communicate with you on any matter related to your subscriptions. We will also contact you for marketing purposes for our own products. We will not provide your details to third parties other than in relation to processing your order. If you do not wish Bayard Press to use your personal data for direct marketing purpose, please the box below.

AdventureBox Special Detective Issue

Calling budding detectives! Take your young sleuth on a top secret adventure with this special issue containing 2 mysterious stories, games and puzzles to solve.

Illustration: OHM

Ages 7-14

DiscoveryBox is a journey of discovery through nature, science and history. In each issue, children explore a new topic (prehistoric humans, horses, robots, the mysteries of the night...). Let them explore the rich history of the world, landmark scientific discoveries, and the beauty of nature.

Zoom In Important science, history, and nature topics are retold in a lively and engaging way.

Did You Know? Captivating articles about the world that introduce other countries, cultures and lifestyles.

Wildlife Fascinating animal topics are presented through spectacular photos and informative graphics.

DiscoveryBox Special Edition

Vet's Guide to Pets DiscoveryBox Vet's Guide to Pets is an incredibly rich resource for helping kids to understand all the responsibilities that come with a pet (of any species!)

Already have a pet or thinking of getting one? This guide will help your child to get a better understanding of exactly what it means to be taking care of a pet. In this Special Edition of DiscoveryBox, kids will learn about how the needs of animals are very different from humans, and get to know the unique characteristics, behaviours and diets of different domesticated animals.
